

October 2024

Hello, Cook County Curling Club member-

It's time to get your slider/curling shoes and broom out for the 2024-2025 curling season.

This year the Cook County Curling Club board is offering a few incentives to our members for more involvement within the club. It takes the entire membership to work together to have a successful Curling Season. (See attachment)

The Membership Kick – Off Party will take place at Up Yonder, October 21, 2024, starting at 5:30 until 8:00 pm. You will have the opportunity to enter for a chance to win fantastic prizes, from curling accessories to gift certificates from local businesses and a drawing for free membership. Must be present to win the raffle drawings. Skips should be able to sign up teams or start to put to team together. Open League is scheduled to start Monday, November 4.

Ice Making will start on the week of October 7th, 2024. Participation is always needed throughout the 2 weeks following the start date. Any number of hours is appreciated. No skill level needed. Contact: Brian Smith 218-370-8167 or Rory Smith 218-370-9429.

The board is in search of a member who would be willing to fill the treasurer position that is currently open. If you as a member feel this is something you would like to contribute your time and talents to, please contact Duane Hasegawa at 651-402-1590 or Joanne Smith 218-370-1036.

See Attachments for 2024-2025 Curling Season Membership Dues, Calendar of Events, Rebates and Refunds and Fall Bonspiel.

Looking forward to a fun curling season!
